PES University Online Application Terms, Privacy and Refunds

Classification: public

Owner: PES University (public website)

Source: https://pes.edu/terms/

Version: Retrieved 17 October 2026 · Paraphrased summary for the TraceFence demo, not an official PES document.

1. Using the application site

- Registering and accepting the terms creates a binding agreement for transactions on the site.
- Register only once. Applicants must be at least 18 or legally able to agree.
- Keep your password safe; you are responsible for transactions made with it.

2. Applications and payment

- An application is confirmed only after the form is complete and the fee is paid; a Transaction ID is then issued.
- Cards and net banking are accepted through payment gateways.
- A duplicate charge is refunded. Paying the processing fee repeatedly may lead to deregistration.

3. Privacy

PES collects name, phone number, email, state and country to process registrations, run services and improve the site, and discloses information only when legally required.

4. Refunds and cancellations

- Entrance test application fee: no refund once the transaction succeeds.
- Admission processing fee: non-refundable.
- Programme course fee: refunded according to current UGC refund norms.

5. Liability

PES does not guarantee uninterrupted service and is not liable for wrong details entered by the applicant or events beyond its control.
