1. Purpose

The Grievance Redressal Committee (GRC) was set up under UGC regulations so students can raise concerns openly, without fear of retaliation, and get quick resolution and counselling.

2. What can be raised

- Discrimination, exclusion or preference based on caste, creed, religion, language, ethnicity, gender or disability.
- Everyday campus concerns: facilities, canteen, transport, sports, hostel, IT and Wi-Fi, library and parking.

3. How it works

1. File a complaint through the online Student Grievance form.

2. A counsellor also opens the campus suggestion box regularly and forwards responses to the Vice-Chancellor, Registrar and GRC.

3. The committee reviews complaints following the principles of natural justice.

4. It reports to the Vice-Chancellor with recommendations.

5. Action-taken reports are tracked at later meetings.

4. Regulations

UGC (Redress of Grievances of Students) Regulations, 2019. The public self-disclosure also lists a Student Grievance Redressal Committee and an Ombudsperson.
