1. What it is

Annual fee concessions for employees' children, alumni and their families, for admissions from AY 2025-26 across PES Group institutions.

2. Concessions

Category	Concession	Main condition

3. Conditions

- Only one loyalty benefit can be claimed.
- It can be combined with other scholarships and assistantships.
- Not valid for government CET/PGCET quotas or for MD/MS programmes.
- It does not affect admission; the normal process still applies.
- The benefit ends if the employee leaves PES Group, and PES may change or withdraw the programme.

4. How to claim

Pay the tuition fee minus the concession by demand draft, submit the loyalty application form with documents, and expect later verification. Wrong claims must be repaid.
